...then... the devil will bring the wonder of:

SAVAGE MUTINY

Releasedate

December 25th 2015

After the highly acclaimed „Death´s Striking Wings“ debut, DEGIAL now strike even harder with a new album. „SAVAGE MUTINY“ consists of eight new compositions that form a vision of the bottomless pit and a celebration of the entities to be spit out from there. Again the production is rough but sharp like a rusty blade. „SAVAGE MUTINY“ contains all the typical trademarks the band evolved over previous releases. Furthermore DEGIAL this time marches some steps forward, delivering unique arrangements and eruptions.

From the most brutal thunderdrumming and ripping guitarshredding to trancelike pounding the album crosses bridges between tradition and innovation multiple times. In other words, on „SAVAGE MUTINY“ one still sees wings of morbid angels and teeth of necrovores, but this time DEGIAL flies even higher and bites much deeper.
